Re: Senate District 36 Republican Primary – August 23, 2011

Dear Jeff,

You have been endorsed by the Virginia Citizens Defense League Political Action Committee in your race for the Republican nomination in Senate District 36.

You answered the Virginia Citizens Defense League candidate survey strongly pro-gun. While your opponent did answer the survey after the deadline had passed, he doesn't your record as a past member of the Virginia House of Delegates.

So based on your public record of support for the right to keep and bear arms in the Virginia House of Delegates, the VCDL-PAC has endorsed you in the Republican primary for Senate District 36.

I hope for your success and look forward to working with you in the General Assembly on policy initiatives of mutual interest and concern.

VCDL-PAC urges that VCDL members and other interested gun owners in the 36th Senate District work for your election, vote for you at the polls and, if possible, contribute to your campaign.

If I can be of any assistance, please do not hesitate to contact me.

Sincerely,

Dennis Fusaro
